MEDICAL PACKAGING INC. (MPI) INTRODUCES AN AMBER-COLORED BAG FOR THE AUTO-PRINT™ II BAGGING SYSTEM

Ringoes, NJ – March 24, 2006 – Medical Packaging Inc. (MPI) has introduced an amber-colored bag for use with its' Auto-Print™ Bagging System. The Auto-Print Bagging System is an all-electric tabletop bagging system which provides the capability of loading, printing, bar coding and sealing ancillary parenteral medications.

The amber-colored bag was produced as a result of feedback from our existing customers who requested a different color bag to assist in differentiating types of medications and it is currently being offered in MPI's most popular size of bag – 2" W x 4" L x 2" D.

MPI offers the following different size bags to accommodate all types of medication, syringes, ampoules or vials:

Item #	Color	Size	Qty/Roll	Qty/Case
SPB-B1	Clear/White	2"W x 4"L x 2"D	3000 Bags/Roll	3 Rolls/Case
SPB-B1A	Amber/White	2"W x 4"L x 2"D	3000 Bags/Roll	3 Rolls/Case
SPB-B2	Clear/White	3"W x 4"L x 2"D	3000 Bags/Roll	3 Rolls/Case
SPB-B3	Clear/White	5"W x 5"L x 2"D	2250 Bags/Roll	3 Rolls/Case
SPB-B4	Clear/White	3"W x 8"L x 2"D	1500 Bags/Roll	3 Rolls/Case
SPB-B5	Clear/White	2"W x 7"L x 2"D	1750 Bags/Roll	3 Rolls/Case

All bags are 2 ml thick. Standard bags feature one side clear and one side white. Amber bags feature one side color and one side white. The film is a translucent amber material that provides greater than 95% UV(a) and UV(b) attenuation while allowing the product to be seen through the bag. It is excellent for applications such as the packaging of pill and vitamin distribution packets.

About Medical Packaging Inc.

Medical Packaging Inc. (MPI) is a manufacturer of packaging systems for unit dosing and label medication. Founded in 1971, MPI was the first company in the United States to design and market a bench scale strip packager for hospitals. Today, MPI is an international leader of pharmacy packaging solutions for oral solids, liquids and ampoules, vials and syringes for hospitals, long term care and the assisted living markets. MPI is a privately held company with sales offices throughout the U.S. and distribution partners worldwide. Further information is available at www.medpak.com.
