MEDICAL PACKAGING INC., LLC
Pak-EDGE™ UD BARCODE LABELING SOFTWARE

DECREASE PACKAGING COSTS  INCREASE OPERATIONAL EFFICIENCY  REDUCE MEDICATION ERRORS

Advanced barcode labeling software for Medical Packaging Inc., LLC (MPI)'s Bar Code-Plus® suite of packaging solutions is now optimized for use with Microsoft Windows® 10 or higher. Designed to increase operational efficiency and reduce medication packaging errors, Pak-EDGE™ UD Barcode Labeling Software is optionally integrated with the First DataBank® drug data, imprints, and images database* to assist the hospital pharmacy with compliance to Joint Commission Standards and National Patient Safety Goals.

SAMPLE PACKAGING SCREENS

Also available in Spanish, French and Portuguese.

Technical Requirements (effective 01/01/20)

Computer with Windows® 10 operating system or higher.
8 GB RAM Required
